

Brings maintenance costs to their bony little knees.

Compared to leading over-the-road filters, WIX Filters captures more dirt and can increase the life of your fleet's engines.* And unless the clean oil has gone to our head that means your maintenance costs should be covering at the sight of the toughest filter in the business. To find out how we can help you cut fleet costs, go to wixfilters.com. **WIX. The #1 filter in NASCAR.®**

*Based on ISO 4548-12 Multi-pass testing of over-the-road filters.
