

Product Information

XP SCOOTER GEAR OIL 75W90

Description

XP SCOOTER GEAR OIL 75W90 is a premium-performance automotive gear oil, formulated with 100% synthetic base oils with ester and high-performance additives. It is designed for heavy-duty conditions, providing excellent gear protection, extended oil drain intervals, and enhanced transmission life. This product is particularly suitable for hypoid gear axles operating under various severe conditions.

Applications

- Designed for motorcycle applications requiring API GL-5 performance
- Ideal for gears, especially hypoid gears, in axles operating under various combinations of high-speed with shock loads and low-speed with high-torque conditions

Meets Performance

- API GL-5
- China GB

Features & Benefits

- Outstanding protection against pitting, scuffing, and wear.
- Excellent resistance to rust and corrosion.
- Effective lubrication at low temperatures.
- Good thermal and oxidation stability.
- Reliable performance under severe service conditions and shock loads.

Typical Properties

Properties	Test Method	Typical value
Appearance	Visual	Red clear liquid
Density @15 °C, g/cm ³	ASTM D4052	0.8691
Kinematic Viscosity @40 °C, cSt	ASTM D445	92.47
Kinematic Viscosity @100 °C, cSt	ASTM D445	15.73
Viscosity Index	ASTM D2270	182
Flash Point, COC, °C	ASTM D92	218
Pour Point, °C	ASTM D5950/D6892	-40
Brookfield @-40 °C, mPas	ASTM D2983	135,982
